

Agenda for the Urban Health WHS-Side Event

October 14, 2024, 2 – 6 pm

Berlin-Brandenburg Academy of Sciences and Humanities

Jägerstraße 22, 10117 Berlin Germany, Conference Room 2 (1st floor)

A project of the Berlin-Brandenburg Academy of Sciences and Humanities (BBAW) and the Leopoldina
in collaboration with the InterAcademy Partnership (IAP) and the Union of Academies, supported by the Volkswagen Foundation.

2 – 2.30 pm | Opening Welcome

- Introduction to the Urban Health Project objectives

2:30 - 3:30 pm | Thematic Working Group Sessions

Participants will divide into thematic groups to engage in focused discussions on the following topics:

- 1. Mobility and Urban Infrastructure**
- Exploring sustainable transportation solutions and their impact on urban health.
- 2. Social Determinants of Health**
- Addressing social equity and community well-being in urban settings.
- 3. Education and Awareness**
- Promoting health literacy and education in urban communities.
- 4. Architecture and Health**
- Examining the role of urban design and architecture in enhancing health outcomes.
- 5. Mental Health and Well-being**
- Strategies for integrating mental health support within urban health frameworks.
- 6. Artificial Intelligence in Urban Health**
- Investigating innovative technological solutions to improve urban health management.
- 7. Nutrition and Food Security**
- Analyzing the importance of access to healthy food options and addressing food security in urban areas.

3:30 – 4 pm | Break

- Networking and refreshment break

4 – 5 pm | Final Session: Synthesizing Group Insights

- Each working group will present their key findings, discussions, and recommendations.

Facilitated dialogue to consolidate insights and identify common themes for further action.

5 – 6 pm | Conclusion and Next Steps

- Summary of the event and key takeaways

- Plans for the “International Meeting on Urban Health”, April 9-11, 2024, Herrenhausen Palace, Hannover

- Closing remarks

We look forward to an engaging and productive event that fosters partnership in the field of urban health.
