

# Global Health Talk.

## 10 July 2025

### Join us for the Early Bird Matchmaking session

To foster exchange and networking, we are kicking off the **Global Health Talk 2025** with an **Early Bird Matchmaking session**.

The following institutions and communities will be available for informal discussions during a **welcome coffee from 8:30 AM (registration opens) to 9:30 AM**:

1. **The World Health Summit** – Have questions about the World Health Summit 2025? Meet the team behind this leading global platform that brings together stakeholders across sectors to shape the agenda for a healthier future and well-being for all.
2. **WHO Mental Health, Brain Health and Substance Use Department** – Meet Dr Fahmy Hanna and Maya Bachet from WHO Headquarters and learn more about the full-scale simulation exercises the WHO organizes worldwide to build capacity for MHPSS operational readiness and response.
3. **Doctors Without Borders / Médecins Sans Frontières (MSF)** – MSF provides care to people affected by conflict, disease outbreaks, natural and human-made disasters, and exclusion from healthcare in more than 70 countries. Learn more about their ongoing work.
4. **Berlin-Nairobi Global HEART Program** – The Berlin-Nairobi Global HEART Program combines health research, exchange opportunities, and further education and training. Engage with the team to explore how the program strengthens collaboration on global health research and medical care.
5. **Global Health Hub Germany Community on Non-Communicable Diseases (NCDs)** – Discuss policy dialogue on NCDs & Mental Health, including the upcoming UN High-Level Meeting.
6. **Global Health Hub Germany Community on Global Women's Health** – Share and explore strategies to improve women's health globally.
7. **Global Health Hub Germany Community on Climate Change and Health** – Engage in dialogue on building climate-resilient and environmentally sustainable health systems.
8. **Global Health Hub Germany Community on Global Health and Migration** – Talk research, policy, and the latest policy brief on global health in conflict settings.
9. **Global Health Hub Germany Community on Global Mental Health** – Discuss and collaborate for lasting impact on mental health systems.

👉 Come early. Connect early. Let's spark meaningful exchange from the very beginning!
